Sleeppeeze Mattresses Queensland made

Complement your new bed with a quality Queensland made Sleeppeeze mattress. Choose from five different designs.

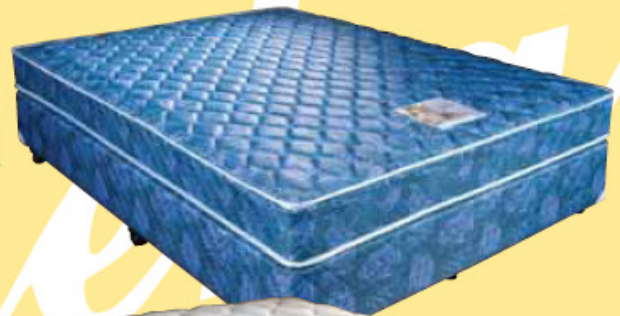

Sleeppeeze mattresses are traditionally crafted with no-turn single-sided high-coil 5-turn Bonnell spring units and Power Coil Edge Support System. All are finished in Italian designed quality damask fabric with co-ordinated stretch knit border fabric. Prices shown are for queen size mattresses

These mattresses are only available from Eureka stores. And these prices apply on current stocks only.
